## **Student Registration Instructions**

Please follow the steps listed below to enroll in **Evolve Elsevier**. If you have any questions, please contact Evolve Online Support at 1-800-401-9962 (available 24/7) or click on the "Evolve Support Portal" link on the Evolve Student Homepage: <u>http://evolve.elsevier.com/staticPages/s\_index.html</u>

## **Evolve Self Enrollment Steps:**

1. Go to <u>http://evolve.elsevier.com</u> and click Student if you are not already presented with the student page.

2. Click on **Login** and follow the instructions to create your student account (click on "Create an account").

3. You should receive a "Welcome to Evolve" email with your student account information. Login in with your username and password. Then, click on the "Catalog" tab to find this screen:

- 4. Click on "Online Courses", then on "Enroll in your instructor's course."
- 5. Enter Course ID: 14009.aambrosia-1001 in the box and hit "Submit".

6. Your textbook should appear. Click on "I have an access code: " radio button, then enter your access code (from your textbook), and click on "Apply":

7. Once you enter your access code, click on "Apply", then hit the "Redeem/Checkout" button. You may come across the Update Your Account screen. Fill in the information or bypass by clicking on "Continue." Click on the "Yes, I accept the Registered User Agreement" then hit "Submit" button.

8. Click on the "Get Started" link, and then the title of your textbook.

You should see this screen:

## HDR 06/09/2014 HCR240 – Evolve Instructions

9. Click on "Course" to access the modules.
